# NOTICE TO W-2 PARTICIPANTS

---

---

## *Participant Choice is Here!*

W-2 participants can now choose which W-2 agency will provide them services. There are several agencies in Milwaukee and you can ask your worker for more information about each of them.

After you choose what W-2 agency you want to work with, you will be responsible for all W-2 activities at that location. All W-2 agencies use the same State policy.

There are some rules about when you can transfer and your W-2 agency can answer your questions.

If you have any questions, please contact your Financial and Employment Planner (FEP).
